Introduction

Welcome to Ballet Unlimited!

We are so excited to have you join us for this special production at Bridgeman Academy. Whether you are a returning student or new to our Academy, we are grateful to have you share your talents as part of this cast. Our mission is to provide a positive, enriching experience where dancers grow artistically, build meaningful relationships, and honor God with their gifts.

This handbook has been created to help all cast members and families—whether from our year-round programs or the broader community—stay informed and aligned with the expectations, policies, and procedures specific to *Unlimited*. Because this is a large-scale production involving many moving parts, it is important that all participants and parents take time to carefully read and refer to this handbook throughout the process. Our goal is to ensure that every dancer feels prepared, supported, and able to fully enjoy the experience of bringing this story to life on stage.

REHEARSALS

Part II : What to Expect

Rehearsal Expectations & Attendance Policy

Ballet Unlimited operates on a condensed rehearsal schedule, which means **every rehearsal is critically important**. Most scenes will be taught and rehearsed only **once**, and students must be present to learn their part. If a student misses a rehearsal — even for excused reasons — they may not be able to participate in the affected scene(s).

Students are expected to:

- Attend all scheduled rehearsals.
- **Practice at home** between rehearsals so they return confident and prepared. *Select videos will be posted via Spaces for rehearsal purposes.*

Any students who miss key blocking or rehearsal moments may be **removed from a scene** at the discretion of the creative team. Our goal is to set every student up for success and ensure they feel confident on stage.

Please note:

If a student withdraws from the show for any reason, **there will be no refund on production tuition under any circumstances.**

Weekly Rehearsal Format

Rehearsals will take place on **Mondays**, with **2–3 rehearsals running simultaneously** across different studios. Students will receive a **detailed rehearsal schedule** before their first rehearsal, outlining:

- Which studio they are assigned to
- Which scenes they will rehearse

The specific scenes being rehearsed may shift based on progress in rehearsals. If any changes are made, **updated schedules will be posted in the Spaces app under the “UNLIMITED Production” group**. Please check the group regularly to stay informed.

Part II : What to Wear

All students are required to wear appropriate ballet attire to every rehearsal. This ensures dancers are properly prepared, can move safely, and are respectful of the professional environment we aim to create.

Required Attire:

- Leotard and Tights (*any solid color*)
- Shoes applicable to role (*any color*)
 - Ballet, Pointe, Jazz, Character...etc.

Optional Ballet Warmups:

Students may choose to wear ballet-specific warmups over their leotard and tights, such as ballet skirts, leg warmers, or fitted knitwear. Warmups should not restrict movement or visibility of alignment.

Hair:

Hair must be pulled back securely into a **ballet bun** whenever possible.

Part II : What to Bring

What to Bring to Rehearsal

To help students stay focused, energized, and prepared, please ensure they bring the following items to each rehearsal:

- **All required dance shoes** for the day
- **Water bottle** to stay hydrated
- **Protein-rich snack** to maintain energy levels during long rehearsals (e.g., cheese sticks, protein bars, Greek yogurt, etc.)
- **Notebook and pencil** for taking choreography or staging notes (optional)
- **Phone** for recording choreography videos during review time (optional)

Please label personal items whenever possible and encourage students to keep their belongings organized and stored neatly in a dance bag.

Part II : Drop Off / Pick Up

To help rehearsals run smoothly and ensure student safety, please follow the guidelines below for drop-off and pick-up procedures:

Arrival Time:

Students should arrive **15 minutes early** to each rehearsal to allow time to:

- Change into appropriate shoes

- Warm up independently (rehearsals will *not* include a group warmup)
It is essential that dancers arrive early and **thoroughly warm up their muscles** to help prevent injury and be fully prepared to begin on time.

Drop-Off:

Parents may:

- Drop students off at the front door
- Or walk students into the building

During Rehearsal:

Parents are welcome to wait in the **designated parent lobby** during rehearsal.

Please note:

- **Space is limited** in the parent lobby
- **Parents may not wait in the student lobby**, as it is reserved for dancers due to the high volume of students during rehearsals

Pick-Up:

- **Parents of older students** do not need to enter the building, but a staff member must visually confirm the parent's presence **before a student is permitted to leave**
- **Driving students** are allowed to arrive and depart independently
- **All students must be picked up promptly at the end of rehearsal**

To avoid delays and keep staff schedules on track, **parents should plan to arrive 10 minutes prior to the scheduled dismissal time.**

Late Pick-Up Policy:

If a parent is more than **5 minutes late** for pickup from any production event (including rehearsals, performances, fittings, or work days), a **\$20 late fee** will be charged to cover the cost of a staff member remaining onsite with the student.

Part II : Tech Week / At the Theatre

Tech Week Policies (Studio & Theater)

Tech Week is a critical part of the production process, and for the safety, focus, and efficiency of rehearsals, the following policies will be strictly enforced:

Access to Theater Spaces

- Parents are welcome to wait in the **lobby of The Purser Center**, but **access to the theater and backstage areas is limited to approved volunteers only.**
- A **check-in/out station** will be set up near the hall leading backstage. All students must use this station for every rehearsal performance.

Check-In/Check-Out Requirements

- **Students ages 11 and up** may sign themselves in and out.
- **Students under 11** must be signed in and out each day by a parent.
- To request an exception to this rule, please contact **Ms. Angie (Production Coordinator)**. Her contact information is listed in the **Points of Contact** section of this handbook.

Communication During Tech Week

- The **best way to reach staff during tech week** is via **email**. This ensures that all team members are notified and can respond promptly.
- Once we move into the theater, **do not call the studio phone**, as no staff members will be present there.
- **Please do not contact staff via their personal phone numbers.** All questions and concerns should be directed to:
 - **Studio Email:** bridgemanarts@gmail.com
 - Or to individual staff emails listed in this handbook

End-of-Day Procedures

- The theater will assign us a **hard stop time** each day.
- When that time is reached (for example, 9:00 PM), **all students and parents must be out of the building**, and any socializing should take place outside.
- Please be respectful of theater staff and help us maintain a good relationship with the venue by leaving the lobby promptly.

Part II : Work Days

To bring *Unlimited* to life, we rely on the help of our amazing families! We will host **production work days** at the studio where students and parents are encouraged to assist with finalizing:

- Costumes (e.g., rhinestoning, sewing, organizing)
- Character accessories
- Props
- Larger set pieces

We welcome help from **all parents and students**, and we especially encourage **dads and other handy volunteers** to join us—this production includes several large set pieces that require building and transport assistance.

Thank you in advance for supporting the behind-the-scenes magic that makes this production possible!

COSTUMES

Part III : Rental Policy

All students participating in *Unlimited* will be responsible for paying a **costume rental fee** for each costume required for their role(s).

Rental fees range from \$20–\$50, depending on the costume. Higher-end pieces, such as **professional platter tutus** or **handmade costumes**, may fall at the upper end of the range.

After your student's costume fitting, you will receive a detailed list outlining:

- Which costume(s) your student will be renting

- The associated rental fee for each item

Important Notes:

- Students performing in **multiple roles** will be required to rent **multiple costumes**.
- If a costume is **lost, stolen, or damaged**, families will be responsible for paying the **full replacement cost**, as determined by Bridgeman Academy.
- Students must turn in ALL rental costumes prior to leaving the theater after the final performance.

We appreciate your care in helping us preserve the quality of our costumes for future productions.

Part III : Student Responsibility

Students will **never be asked to provide their own full costume** for this production. All primary costumes will be supplied by Bridgeman Academy through the costume rental process.

However, in some cases, students may be asked to provide a **small accessory or personal item** to complete their character's look (e.g., headband, scarf, gloves). If an item is needed, this will be communicated during rehearsal and/or posted in the Spaces app under the **"UNLIMITED Cast"** group.

In addition to costumes, **students must provide all shoes** required for their role(s), such as ballet or pointe shoes. They will be given specifics (including color) for their required shoes during the costume fitting.

Part III : Hair and Makeup

Hair & Makeup Guidelines

Each student will receive **individual hair and makeup instructions** based on their specific role(s) in *Unlimited*. These details will be shared during rehearsals and posted in the Spaces app as needed.

If a student is asked to wear **basic stage makeup**, this includes the following:

- **Dark pink lipstick** (Note: Do not use red or overly dark shades)
- **Natural-colored eyeshadow**
- **Foundation**
- **Blush** (this is especially important for visibility under stage lights)
- **Eyeliner and mascara**
- **False eyelashes** are encouraged for **older students**, but **not required for younger dancers**

Proper stage makeup helps ensure facial expressions are visible to the audience and contributes to a polished, unified appearance on stage. Please reach out if you have any questions about application or appropriate products.

PERFORMANCES

Part IV : Performance Day Procedures

Just like during rehearsals, **all students must check in and out at the designated check-in station** for every performance. The check-in station will be located near the hallway leading backstage.

- **Students do not need to check in or out between the matinee and evening performances on Saturday.**
- **Check-in Times:**
 - **Friday Performance:** Call time is **5:00 PM**
 - **Saturday Performances:** Call time is **2:00 PM**

Important: Students are **not permitted to leave** the theater between the matinee and evening performances on Saturday. They will receive a meal break between shows, but **must remain backstage** during this time.

Pre-Show Warm-Up

Before each performance, we will hold a **group ballet warm-up on stage:**

- The warm-up will consist of an **intermediate-level ballet class**, followed by individual time to stretch and rehearse on stage.

- **All students at an intermediate ballet level are required to participate.**
 - All other students are encouraged to warm up independently in their dressing rooms.
 - **Munchkinettes will not participate** in the onstage group warm-up.
-

Post-Show: Strike

Following the final performance, **all students are required to participate in Strike** to help clean up and pack costumes, props, and sets.

- Students have **15 minutes to greet family and friends** after curtain call.
- After that, they must report to the **Stage Manager** to begin Strike responsibilities.
- **Strike ends promptly at 9:00 PM**, so it is essential that **all students—and any available parents—help** to ensure an efficient breakdown of the production.
- During Strike, **students will also return all rented costumes.**

Part IV : Backstage Parents

Backstage Parent Volunteers

With the high number of rehearsals and performances for *Unlimited*, we rely heavily on the support of **backstage parent volunteers** to help ensure everything runs smoothly and safely behind the scenes.

We will need **many backstage parents** throughout the production process to assist with:

- Keeping students organized and calm
- Helping with costume changes
- Escorting students to and from the stage
- Supporting a positive, focused environment backstage

Due to the **high-energy and sometimes stressful nature** of live productions, we ask that all backstage parents commit to being **kind, calm, and encouraging at all times**. Your attitude and presence make a huge difference in the experience of our performers.

If you are interested in serving as a backstage parent, please contact our **Production Coordinator, Ms. Angie**. Her contact information can be found in the **Points of Contact** section of this handbook.

We are so grateful for our volunteers—this production would not be possible without you!

POLICIES & EXPECTATIONS

Part VII : Code of Conduct

Cast Members:

All dancers involved in Unlimited are expected to demonstrate exceptional behavior, attitude, and work ethic throughout the rehearsal and performance process. Students are expected to:

- *Follow all studio and production rules and policies*
- *Maintain a positive, respectful attitude at all times*
- *Encourage and support fellow cast members, regardless of role or experience*
- *Avoid gossip, negativity, or derogatory conversation*
- *Show respect toward all instructors, staff, volunteers, and fellow cast members*
- *Treat all belongings, spaces, and equipment with care—including costumes, props, and dressing areas*

Parents & Guardians:

Parents play a vital role in fostering a supportive environment for their dancer and the production as a whole. To ensure a healthy and focused atmosphere, we ask that all parents:

- *Refrain from gossip, speculation, or negative conversation related to casting, staff members, or other areas of the production.*
- *Discuss personal or sensitive concerns outside of rehearsals and **bring any production-related issues directly to a staff member or the director***
- *Respect all decisions made by the creative team and staff throughout the rehearsal and performance process*

As a community that seeks to model Christ-like character, we take this code of conduct seriously for both dancers and families. Any behavior that violates these expectations—including bullying or harmful conduct—may result in removal from the production. In such cases, previously paid tuition and fees are non-refundable.

We are so thankful for your partnership in creating a positive and professional environment for every student involved.

Part VII : General Policies

- Street shoes are not allowed on the Marley flooring.
- Food and drinks are not allowed in the dance studios with the exception of water bottles.
- All water bottles must be non-spill if tipped over. Stanley Cups are not allowed unless they are spill-proof.
- Snacks and drinks outside of water may be kept in cubbies, lockers, or dance bags for use during breaks.
