New to the Schedule:

- **Intermediate Combo:** New class options! Both Hip Hop and Lyrical are now offered for our 6-8 age group.
- **Theatre Program:** There is now a theatre-specific track in our Pre-Professional Program and more classes for all students to pursue theatre related skills such as Drama, Voice, and Technical Theatre.
- **Beginning Combo:** New class options! Our younger dancers can now take part in the exciting styles of Baton and Musical Theatre.
- **Adult Classes:** Starting in September, we will now offer Adult Classes in the styles of Ballet and Hip Hop. There are both monthly and drop-in tuition rates available.
- **Ballet and Pointe Classes Offered on Saturdays** (Levels 2 and 3 only)
- **Level 1 Progressing Ballet Technique (PBT):** This dynamic and interactive class uses targeted strengthening exercises and muscle memory to build proper alignment and technique in young dancers. Students are sure to accelerate their progress across all dance styles—not just ballet. Outside of being extremely beneficial, the class is short and fun!
- **Teen Hip Hop:** This new hip hop class is specifically targeted for students ages 12 and up.
- **Boys Technique:** Held during the Friday evening pointe block, this class focuses on advanced technical training tailored specifically for male dancers. At times, it may merge with intermediate and/or advanced pointe classes for partnering work.
- **Teen Ballet, Tap, and Jazz:** This class is designed for older dancers who are new to dance. It teaches the foundational skills needed for each of these disciplines- a great addition to musical theatre.
- **Level 1 Company:** Designed for Level 1 students in the Pre-Professional Program. The Pre-Professional program is great for students who are seeking a more immersive training experience, it offers a structured schedule and the opportunity to perform at community events alongside our upper-level dancers.
